Alexandria, Va 22313-1450

## **INFORMATION DISCLOSURE STATEMENT**

In accordance with 37 CFR 1.97, Applicant hereby submits a list of patents shown on both attached Form PTO/SB/08a and the European Search Report for EP 03 25 8259

Of the listed patents, most are cited merely for technology background. US 6,116,849 (Fesmire et al) (also referred to as Broadbent in the European Search Report) appears to be the most pertinent and was already cited by the Examiner in his Office Action dated 05/04/2006. For the reasons given in Amendment "A", the claims as amended, are believed to be patentable over Fesmire and accordingly over the other listed patents which are not as pertinent.

Respectfully submitted,

*Amelia Korn*  
Attorney for Applicant
